25X1A Enclosed herewith is a copy of a recent memorandum and
 attachments I sent to [REDACTED] reviewing the "Post Office
25X1A matter". As I mentioned over the telephone, since this latest
 memorandum was written [REDACTED] has rendered a decision
 that this Agency should not assist the Post Office in the trans-
 lation function.

 Accordingly, OCD must inform the Post Office of this decision.
 Frankly I know of no legal basis for refusing to perform this
 function.

 When you have perused the attached material, I will be glad
 to discuss the matter with you should you deem that necessary.
